

Account Hackney: Empowering Communities Through Action

About Us

Account Hackney is a youth-led, community-rooted organization dedicated to creating safe, engaging spaces for young people to explore identity, power, and purpose. We bridge the gap between institutions and the communities they serve through education, research, and direct action.

Our Services

For Schools & Education

We offer comprehensive workshop packages designed to engage students in critical conversations about their rights, identity, and civic power.

Core Workshops:

- **Roots & Identity:** Exploring personal and collective history to build confidence.
- **Politics & Civic Power:** Understanding how systems work and how to influence them.
- **Legal Power:** Know your rights, stop & search, and interacting with authority.

Packages:

- **Assembly Series:** 30-minute high-impact sessions for year groups.
- **Classroom Deep Dives:** 1-hour interactive workshops for smaller groups.
- **Complete Package:** A full term of engagement including staff training.

For Corporate Partners

Partner with us to drive meaningful social change while engaging your employees in authentic community work.

Partnership Tiers:

- **Essentials:** Brand alignment, annual impact report, and community newsletter features.
 - **Professional:** Includes “Lunch & Learn” sessions led by our youth team and co-branded CSR initiatives.
 - **Enterprise:** Full strategic partnership, youth advisory board setup, and national campaign collaboration.
-

Why Partner With Us?

- **Youth-Led:** Our insights come directly from young people living the reality.
 - **Evidence-Based:** Our work is grounded in participatory research and data.
 - **Community-Rooted:** We have deep trust and networks within Hackney and beyond.
